MASTERPROFIL

MAYA è la sintesi perfetta tra tradizione e modernità. Reversibile e dotata delle classiche cerniere Anuba, propone un design semplice e senza tempo. Il sistema di cerniere semplifica il montaggio e rende la porta adatta anche ad ambienti dal gusto retrò. I materiali, come gli stipiti in MDF Hydro, garantiscono qualità e sostenibilità.

MAYA is the perfect blend of tradition and modernity. Reversible and equipped with classic Anuba hinges, it features a simple, timeless design. The hinge system simplifies installation, making the door suitable even for retro-style interiors. The materials, including MDF Hydro frames, ensure both quality and sustainability.
